**ANNOUNCEMENTS.**

We are authorized to announce the death of **DR. JOHN D. CLARK**, who died at his residence in the city of Hopkinsville, Kentucky, on the morning of the 9th inst. at the age of 78 years.

The President yesterday visited the **Blind Begging Bill** provided for the raising of the \$40,000 of after billiard money for the year.

This step had been predicted for some days and consequently was not a surprise. It is nevertheless a bad thing for the Democratic party that Mr. Cleveland could not restrain his kindly impulses after the loss of a party member and success.

It is a hard blow on that will be irreparable harm to the Democratic party.

Laffoon and Vance spoke at Harveyville Monday.

As Senator J. S. Warthan, of Louisville, has announced himself a candidate for Congress in the fourth district.

Hon. Joe M. Kendall, who served a part of his father's term in Congress, has announced himself a candidate in the Tenth District against Representative Laffoon.

Hon. Gould, like his brother George, will carry an anti-trust message. His engagement has been announced to Miss Elizabeth Kirkland, known on the stage as Odette Tyler.

Col. E. P. Johnson, Special Agent in Charge of the Treasury Department, has had his headquarters changed from Chicago to Louisville. He is of course delighted at being removed to his old home in "Stock Country" and looking after the law cases in his hands.

**JOHN WOODS' RECORD.**  
 Judge Grace on Tuesday appointed Judge W. P. Wilson Master Commissioner. Judge Wilson accepted the position and is making up his mind and will enter upon his duties this week. He is the present City Treasurer of Hopkinsville and his appointment is regarded as an excellent one. The place is supposed to pay anywhere from \$1500 to \$2,000 a year.

**Another Boardman Arrives.**  
 Mr. Gus H. Boardman, brother of the late Senator, has arrived in the city. His name is well known in the city, having been a member of the legislature and also of the Senate. He is a native of the city and is well known to the people.

**Andrews and Allenworth.**  
 Messrs. O. H. Andrews and Jas. B. Allenworth, two rising young men in the city, have been appointed to the position of assistant city clerks. They are both graduates of the University of Kentucky and are well known to the people.

**GREEN OF NEWS.**  
 Mr. Wood's business estimated at nearly \$400,000.  
 Hon. Hester Wood's failure is all the talk of the town and there is much speculation as to what the loss of the Green building will be. No schedule of liabilities will be prepared and it is doubtful if Mr. Wood himself knows what his liabilities are. His affairs as Master Commissioner, as guardian, as assignee in several cases, his business, his private newspaper business, and his private interests are all complicated and mixed up until it is hard to tell just how much of them he has.

The Master Commissioner's indebtedness is said to be about \$220,000, and a bond worth probably half that much. If the bondmen cannot pay out, the bond will fall in the hands of the assignee, who will then have to liquidate the business. As assignee for W. B. Redford, Mr. Wood is liable for \$10,000 to the estate of Mr. R. S. Green in his bondman's case.

As assignee for the Kentucky National Bank, he had never made a settlement and it is said he was behind about \$70,000. On this bond Mr. C. L. Duff was surety, making him a bond good.

As guardian for Harry Lipton, who recently died, Mr. S. S. Green is also on his bond, with Lee Harris, now of Cincinnati, who formerly lived here in the Green estate, and the sum of the money was not paid for except the first payment. It is estimated that the \$40,000 is still owing on this secured by him.

The New Tax property is stock in the Kentucky National Bank, which Mr. Wood owned for about \$500. The plan is to mortgage for \$2,000 and same stock is hypothecated to secure several thousand dollars.
